

MBA Stage 1 Systems:

Online ISB (Eduman) (<http://online.isb.edu.vn/>)

Online ISB (or Eduman) is your online student records system for both stage 1 and 2 of the MBA program. Here you will enroll, add, change or drop units (until the census date) (*for MBA offshore program*), keep your contact details up to date and check your results.

E-Learning system (<https://elearning.westernsydney.edu.vn/>) (*used for stage 1 of the program*)

E-Learning system is an online learning environment. All your units will have an E-learning site, which includes your unit outline, information about your assessment tasks, study resources and announcements related to your unit or course. Make sure you check your E-learning sites regularly during session as they may be updated at any time.

E-Library for Stage 1

For MBA Stage 1, you will have access to Proquest E-library with the log-in details as below:

<http://search.proquest.com/login>

Username: UEHCMC2010

Password: thuvien0810

MBA Stage 2 Systems:

Available systems

You will use several online systems during your studies at Western Sydney University. A brief explanation of each is below.

MyWesternAccount (<https://westernaccount.westernsydney.edu.au/>)

Your MyWesternAccount is your first point of call at Western Sydney as it gives you access to all Western Sydney online systems. Make sure you **activate your MyWesternAccount** (<https://westernaccount.westernsydney.edu.au/>).

MyC3 Western Central (<https://www.myc3.edu.au/#/login>)

The MyC3 Western Central (Student Portal) is your online information hub. Log into MyC3 to access your student email, MyStudentRecords (MySR) and the Library website. Important announcements are also displayed in MyUWS, so make sure you check it regularly.

Student Email

Student email is a service Western Sydney University provides to its students. Your official Western Sydney student email is the only communication channel between you and the University for Important Information relating to your results, graduation and University news.

You should check your email regularly to make sure you receive information in a timely manner. If you don't check your student email regularly, you will miss important messages which may affect your enrolment. When contacting the University by email you must only use your Western Sydney student email account.

Access your Western Sydney student email via the MyC3 (<https://www.myc3.edu.au/#/login>) Student Portal.

MyStudent Records (MySR) (<https://mysr.uws.edu.au/connect/webconnect>)

MySR is your online student records system at Western Sydney University. Here you will enrol, add, change or drop units (until the census date) (*MBA onshore program and MBA offshore program in stage 2*), keep your contact details up to date and check your fees and results.

Access MySR via MyC3 (<https://www.myc3.edu.au/#/login>)  Student Portal.
If you need help using MySR, please see the [MySR help webpage](https://www.westernsydney.edu.au/currentstudents/current_students/using_uws_online_systems/mystudentrecords_help)
(https://www.westernsydney.edu.au/currentstudents/current_students/using_uws_online_systems/mystudentrecords_help).

vUWS (<https://vuws.westernsydney.edu.au/>)

For units offered at MBA offshore program in stage 2 and MBA onshore program, you are required to log in vUWS to access learning materials and to check Turnitin assignments before submitting the reports to your lecturers. Make sure you [activate your MyWesternAccount](https://westernaccount.westernsydney.edu.au/) (<https://westernaccount.westernsydney.edu.au/>) .

E-Library for Stage 2

For Stage 2, you will have access to Western Sydney E-library and you are required to access the system at <http://library.westernsydney.edu.au/main/> by logging in with your Western Sydney ID number and password. Make sure you [activate your MyWesternAccount](https://westernaccount.westernsydney.edu.au/) (<https://westernaccount.westernsydney.edu.au/>) .

OneStop (<https://onestop.westernsydney.edu.au/OneStopWeb/WSU/menu>)

OneStop is the secure online payment system students use to pay for academic transcripts and graduations.

Handbook (<http://handbook.westernsydney.edu.au/hbook/>) (course and unit search)

The Handbook is the official reference for courses and units offered at Western Sydney University. Once you have accepted your offer to Western Sydney University, view the Handbook to know which units are offered and which units to enrol in.

You can access the [Handbook](http://handbook.westernsydney.edu.au/hbook/) (<http://handbook.westernsydney.edu.au/hbook/>)  online.

Policies (https://www.westernsydney.edu.au/policy/policy_dds)

While you are a student at Western Sydney University, you are responsible for making sure you are aware of the policies that affect you such as the Enrolment Policy and the Examinations Policy. All University policies, procedures and guidelines are available at the [policies webpage](https://www.westernsydney.edu.au/policy/policy_dds)
